April Presentation

Helping Community Love and Respect Each Other by David Zelinsky

Friday, April 15, 2022
Mother Lode Lions Club Hall
4701 Missouri Flat Rd., Diamond Springs, CA

David Zelinsky was born in San Francisco in 1950. He met his wife at Berkeley, has been married over 50 years, and has four kids and six grandkids. David is a retired CPA and attorney and has lived in Placerville since the bicentennial. David is now a Service Officer for the American Legion and Marine Corps League. He also serves on the Chapter Conservation, Executive, Legal and Financial chapters for Sierra Club.

As David puts it, "I am peculiarly able to carry water back and forth over the green line, whether dealing with the Sierra Club and Republicans or PFLAG and the Tea Party, I enjoy everyone, and suffer no cognitive dissonance."

David's goal is to help us become one community and not be so divided.

Happy Easter

Words from SRS President Mary Lynch

Our new year is off to a good start with 3 presentations to satisfy the curiosity of our members. Each

Presentation brings higher attendance and more guests who have heard of our Association and are curious as to what we do and who we are, two easy-to-answer questions. As the year continues to unfold, I am confident of our way forward thanks to our curious members and steadfast volunteers.

Good news, if you haven't heard...our Book Club, under the nurturing care of Mary McCombs will meet on April 14 at the Library. The book is a mystery that deserves our enthusiastic review. Attend the meeting and be prepared for a stimulating discussion.

As you can tell, we are resurrecting ourselves with the thoughtful help and enthusiasm of our Board members and volunteers. Please thank each of them as you mingle and munch. They are: Bill Robinson, Cheryl Purgett, Rosemary Imes, Linda Westwood, Carol Heape, Dori Moriguchi, Tom Herman, Mark Stanley, Mary McCombs and Nancy Weddle. Their name tags are a giveaway. Feel free to volunteer your time and effort to help bake munchies, assist with registration, lead workshops, recruit and/or suggest subject matter for presentations.

Your support is both appreciated and gratifying. Till we meet again, take care and be curious.

Mary Lynch
